Technical Seminar on Copper Processes*

March 04 and 05, 2013

A technical seminar on copper processes was held on March 04 and 05 at the Marriott Hotel, organized by the British Government Agency International Wrought Copper Council.

Participants from Chile, England, and Asian countries such as China, Korea, and Japan attended the seminar.

In this occasion, MundoChile was assigned the important task of providing three simultaneous interpreter pairs for English – Spanish, Mandarin Chinese – Spanish, and Japanese – Spanish languages, who worked simultaneously during the entire mining seminar, of high technical complexity.
