

2012 ENVIRONMENT & PERMITTING WORKSHOP
KINROSS GOLD CORPORATION
Hotel Antay, Copiapó, Chile

October 01 to 05, 2012

Representatives from the well-known Canadian mining company Kinross Minerals met at Hotel Antay in Copiapó in order to hold a strategy and leadership workshop regarding operations in the region.

In this meeting, representatives from Canada, Brazil, France, and Chile took part, who also analyzed 2012 results and projections for 2013 in business, operational, and financial terms.

Once more, MundoChile provided simultaneous interpretation services in English, Portuguese, French, and Spanish for this important meeting, giving a valuable support to communications among representatives from the outstanding mining company subsidiaries in different countries.
