

Seminar "The Successful Canadian Nuclear Energy Experience"

November 26, 2009

Unión El Golf Even Center, Santiago

*MundoChile took part with its simultaneous interpreters in the Seminar "The Successful Canadian Nuclear Energy Experience" organized by the Canadian Embassy and the Chilean-Canadian Chamber of Commerce.*

*The guest of honor and leading speaker at this seminar was the Minister of Energy, Marcelo Tokman, and matters such as training people to work with nuclear energy and how nuclear waste is treated, among others, were dealt with.*
