

Ontario Infrastructure Sector Companies Trade Mission to Chile

*Intercontinental Hotel, Santiago
June 27-29, 2012*

The Ontario infrastructure sector companies trade mission to Chile had the purpose of meeting with government representatives, contractors, and legal firms involved in public-private (PPP – P3) collaboration hospital project bidding projects. In this occasion, a total of 42 bi-lateral meetings were held.

As part of the mission, a breakfast jointly coordinated with the Embassy of Canada was held on June 27, at the Intercontinental Hotel, Las Condes.

Once more, MundoChile provided its consecutive interpreting services to Canadian entrepreneurs during their meetings with their Chilean counterparts.
