

PDI Seminar:
"Strategy for the Exchange of information
in the fight against drug-dealing"

May 16th to 18th, 2017

A seminar and several meetings and workshops were held on May 16th to 18th at the Courtyard Hotel and at PDI premises, in which PDI employees were trained in the subject of strategy for exchange of information in the fight against drug-dealing.

MundoChile had the important mission of being the official providers of simultaneous interpretation services for the high-level and strictly confidential meetings held between PDI employees and international experts.
